

## INTRODUCING THE NEW **iWASH S-11** ELECTRONIC BIDET SEAT

Experience the next level of comfort with Icera's iWash® bidet seat – a feature-packed electronic toilet seat that installs easily in place of a regular toilet seat on most standard elongated toilets. Enjoy the comfort of a cleansing bidet spray, warm air dryer, and heated seat – all controlled by an easy-to-use wall-mounted remote control. Practical features, like a built-in deodorizer and LED nightlight, make the iWash® valuable addition to any bathroom.
