BACK BY POPULAR DEMAND! MUSE II 1P TOILET WILL NOW FEATURE A SIDE-MOUNT LEVER

Valued Customers,

We'd like to thank you all for your feedback on the design change that was implemented to the Muse II 1P toilet earlier this year. We've heard your concerns and are happy to announce we will be acting accordingly. **Beginning with shipments in November, the Muse II 1P toilet will once again be available with a side-mount lever.**

SKU: C-6690.01

LIST PRICE: \$798.00

UPC:

[Effective immediately, we will be substituting all orders for the C-6690-F.01 with the side-mount model, C-6690.01](#) You will see this change noted on your order confirmation, and our Sales desk will notify you via email when a substitution is made on an order.

To replace your current front-mount display, simply add 1x C-6690.01 at zero cost to your next stock purchase order.

As before, **the compatible tank lever SKU for the front-mount model is F-74.xxx.** Like all Icera toilets, the Polished Chrome lever is included with purchase of the toilet. Alternate finishes (Polished Nickel, Satin Nickel, Polished Brass, Satin Brass, White Enamel, Matte Black) can be purchased separately.

We appreciate your patience and support! Please feel free to contact us with any questions.

Thank you,

Icera USA
