Visit [Icera Retailer Resources](#) to download the latest price files.

DESIGNED FOR LIFE.

The Muse is the perfect complement to both modern and transitional bathroom environments with its' slimmer, sleeker profile and compact-elongated bowl. The Muse features Icera's new Rimless Wash. Two large twin jets at the back of the bowl with an open rim facilitate a powerful flush and better hygiene. This model also features a reversible tank for either left-handed or right-handed ADA compliance.
