**Cleaning Instructions** — This toilet seat has been designed and manufactured with great care and attention to detail. If you follow a few simple cleaning instructions you will be able to enjoy its comfort, quality and beauty every day.

- In order to ensure the best possible hygiene the surface of the toilet seat is closed and pore-free. Please do not use abrasive, corrosive or chlorine based cleaners as these may lead to discoloration and flash rust. Please only use mild ph neutral soap for cleaning.
- If seat and cover make contact with toilet cleaners and or other aggressive cleaners, please immediately rinse with pure water.
- After cleaning please dry off any residual dampness with a soft cloth.
- Seat and cover must be left in an upright position until all cleaning agents in the bowl das been flushed away.

**Material Description** —

- TOILET SEAT: The material is colour ingrained duroplast (UF A 10 = urea formaldehyde) that contains no environmentally hazardous substances. UF plastic comprises 67% urea formaldehyde resin, 28% cellulose, as well as 5% minerals, pigments, lubricants and moisture content. The raw material from the supplier contains < 0.03% free formaldehyde and even less following curing.
- BUFFERS: PE (Polyethylene)
- HINGES: Stainless steel and nylon
