**THE NEXT LEVEL OF COMFORT**

## **S-12 ELECTRONIC BIDET SEAT**

Experience the next level of comfort with the iWash® S-12 bidet seat - a feature-packed toilet seat that installs easily in place of a regular toilet seat on most standard elongated toilets. Enjoy the comfort of a cleansing bidet spray, warm air dryer, and heated auto-open seat - all controlled by an easy-to-use wall-mounted remote control. Practical features, like a built-in deodorizer and LED nightlight, make the iWash® valuable addition to any bathroom.
