1.0 Gallon Flush

Manual Flush  
Button

Silent Close  
Seat

The iWash™ CS-15 from Icera combines modern toilet design with the refreshing hygiene of a built-in bidet—no electricity required. Its compact, tankless silhouette saves space while the dual-spray system offers customizable cleansing. With a soft-close seat, high-efficiency flush, and easy installation, the CS-15 delivers a cleaner, fresher bathroom experience for everyday living.
