THE NEXT LEVEL OF COMFORT

## CS-18 INTELLIGENT TOILET

Where design meets innovation, the iWash CS-18 intelligent toilet offers a truly tailored luxurious hygiene experience. Featuring a full-function electronic bidet seat, the CS-24 offers a tailored hygiene experience with adjustable spray temperature and pressure, and customizable user settings to meet every preference.

Enjoy the comfort of a heated seat, warm air dryer, and instant ceramic water heating system, all fine-tuned to your liking.

Sensor-activated auto-open and close functions provide a seamless, touch-free experience, while the built-in LED nightlight and deodorizer quietly enhance ambiance and freshness. With energy-saving mode and smart flush technology, the iWash CS-18 is more than just a toilet — it's a new benchmark in bathroom luxury.
